

Participating in Connected Educator Month

SIIA Webinar

July 11, 2012

Join the SIIA Education Division in supporting [Connected Educators in August](#) .

Help your customers - educators at all levels, from all disciplines get involved in online events and activities, including forums and conversations. Connected Educator Month is convened by the U.S. Department of Education and many organizations and the topic of our this webinar.

The speakers provide further information about the Connected Educator Month, then focus on how companies like yours can participate.

Speakers:

- Darren Cambridge, Senior Consultant, American Institutes for Research
- Tom de Boor, Producer, Grunwald Associates, LLC
- Peter Grunwald, Founder and President, Grunwald Associates LLC
- Moderator: Karen Billings, Vice President, Education Division, SIIA
